Introduction	3
Notes	3
Section A - Theory	4
Part 1 – Root position	4
A.1.1 What is a triad	4
A.1.2 How to build the triads - root position	4
A.1.3 Harmonizing the C major scale	5
Part 2 – Inversions	6
A.2.1 What is an inversion?	6
A.2.2 How to build the triads – first inversion	6
A.2.3 Harmonizing the C major scale	6
A.2.4 How to build the triads – second inversion	7
A.2.5 Harmonizing the C major scale	7
Section B - Arpeggios	8
Part 1 – Root position arpeggios	8
B.1.1 One-octave arpeggio	8
B.1.2 Two-octave arpeggio	10
Part 2 – Inversions	12
B.2.1 First inversion - One-octave arpeggio	12
B.2.2 First inversion - Two-octave arpeggio	14
B.2.3 Second inversion - One-octave arpeggio	14
B.2.4 Second inversion - Two-octave arpeggio	16
B.2.5 Mixing the inversions	17
Part 3 – Other arpeggio forms	19
B.3.1 Extended forms	19
B.3.2 Arpeggios on three strings	20
Part 4 – Exercises on the shapes of the major scale	22
B.4.1 Shapes of the major scale	22
B.4.2 Exercises	24
